

Christer Bergman is the founder of Novexus, LLC, a business development consultancy company based in Vienna, Virginia. Since 2000, Mr. Bergman has been a well-known business leader in the Security and Biometrics industry.

He currently serves as Board of Director for SweCard AB, Fingerprint Cards AB and WCC-Group BV. The focus of his services is within the Biometrics and Security industry as well as business development and business expansion for non-US based companies into the US marketplace.

Mr. Bergman was the President and CEO of Precise Biometrics, AB, between 2001 and 2006. He also served as a Member of the Precise Biometrics Board of Directors between 2005 until 2007. Prior to joining Precise Biometrics, he held numerous positions in the high tech industries in the US and Europe. Among the positions he served was President & CEO of VIDAR Systems Corporation, Regional Director of Informix Software Scandinavia and Sales Director for Hewlett Packard in Sweden. Mr. Bergman earned a Master of Science Degree from the Lund Institute of Technology in Sweden, as well as from University of California, Berkeley.

Mr. Bergman is a member of the board of the International Biometrics Industry Association (IBIA). He has also been active in the Smart Card Alliance. In 2003, Mr. Bergman testified at an oversight hearing on "Advancements in Smart Card and Biometric Technology", in the US Congress House of Representatives' Government Reform Committee's Subcommittee on Technology, Information Policy, Intergovernmental Relations and the Census. Mr. Bergman resides in Virginia with his wife and three sons.
